### MEET THE TEAM

Focus Kitchens and Bathrooms is a family-owned company run by husband and wife team David and Tina. With over 25 years experience in the industry, the team at Focus is a team you can trust. Well known for their meticulous approach and commitment to the highest of standards, their high-level expertise and capabilities allow them to transform and optimise your space with structural alterations in order to deliver the best results from your renovation. The team at Focus are always ready with a smile, and focus on building positive working relationships with clients to ensure a pleasant, hassle-free renovation process.

### WHY CHOOSE US

At Focus Kitchens and Bathrooms we FOCUS on guiding our clients through the renovation process, going the extra mile to ensure we deliver the perfect result, every time.

- Focus Kitchens and Bathrooms specialise in providing our clients with a totally customised kitchen, bathroom or laundry renovation experience. Our team is friendly, personable, reliable and professional. We listen to your needs, prioritise communication and put the client first.
- From design to handover, we offer a complete service. Tina will guide you through the design and manage the ordering of all your finishing selections (such as benchtops, tiles, tapware etc). David and Daniel, along with our trusted team of specialist trade contractors, oversee the manufacture, construction and installation.
- Focus Kitchens and Bathrooms utilise the latest 3D design software so you can see highly realistic, detailed 3D images of your new kitchen, bathroom or laundry design before construction starts. This eliminates any guesswork, gives you absolute confidence in the outcome of your project, and always helps our clients enjoy the whole process even more.
- Our uncompromising commitment to quality extends across every aspect of our service – from practical, stylish designs tailored to your personality and lifestyle, through to our uncompromising approach to cabinet assembly, installation, and construction. We only use the highest-quality Australian and European-manufactured components, ensuring your new room will be a pleasure to use for many years to come.
